

Hey Vikings!!! Leave your **MARK** at Marina!

The MHS Educational Foundation presents Phase 1 of our Endowment Tile Wall. During this initial phase current students, alumnae, faculty, and staff can have their name and message become a permanent part of the campus and will be supporting the programs that have made Marina High School a leader in academics. The funds raised in the endowment are kept in a separate account and only the interest is used. The original donation stays invested for the future.

There are 3 ways to become part of this program.

1. \$75.00 for a 6x6 Tile 3 lines @ 11 Characters/line
 2. \$150.00 for a 8x8 Tile 3 lines @ 16 Characters/line
 3. \$300.00 for a 12x12 Tile 3 lines @ 24 Characters/line
- Additional lines are available at an additional fee.
